

# PhD in Public Policy

Chiang Mai University School of Public Policy

“ Inclusive, innovative, progressive is more than just our motto; it is our DNA ”

# PhD in Public Policy

**“ Inclusive, innovative, progressive is more than just our motto;  
it is our DNA ”**

Solutions to society's greatest challenges require an interdisciplinary approach and deep understanding of the many factors that shape and drive policy decisions.

**CMU-SPP** PhD program trains policy scholars and academics in the cutting-edge techniques needed to create evidence-based, values-driven solutions.

**CMU-SPP** doctoral students acquire advanced skills, drawing on resources from multiple departments of Chiang Mai University and international partnerships.

**CMU-SPP** faculty serve on the editorial boards of Journal of Comparative Policy Analysis, Critical Policy Studies, and Economic Development Quarterly.

**“ Join CMU-SPP to be part of the solution ”**

Our 'pracademic' faculty consult with or have been employed by global agencies and non-governmental organizations, including the World Bank, OECD, UN Development Programme, Transparency International, Asi Foundation, UN Food and Agriculture Organization, UK District Council's Network, Thailand's National Innovation Agency, Thai Ministry of Energy, and Johns Hopkins University Bloomberg School of Public Health.
